

Certificate of Attendance

This certifies that

JAMAL AL DUBAIBI

has successfully completed the

Humanitarian Negotiation Basic Training

This 3 days (22 hours) experiential training covered the following topics: humanitarian negotiation definitions and guiding principles, negotiation planning process, and implementation stages. It also covered core interpersonal communication tools and skills, influencing techniques, as well as dealing with difficult interlocutors, and addressing red lines and dilemmas. The participants had the opportunity to extensively practice negotiation, mediation, and group facilitation. The training was designed by NRC Yemen.
